PARK RENTAL FEE REDUCTION POLICY

GENERAL

It is the policy of the Colorado Springs Parks, Recreation & Cultural Services Department (PRCS), under circumstances appropriate for Colorado Springs parks, to reduce park rental fees for special events and activities, subject to this Policy.

PURPOSE

The Policy outlines the requirements, limitations and conditions under which the Department may reduce park use fees for events activities within the City. The purpose of the Policy is to provide an equitable means for event organizers to apply for fee reductions and to establish mutually beneficial partnerships between the Department and the community.

ELIGIBILITY

The following events/activities are not eligible for Reduction:

- Events presented by for-profit organizations
- Events presented by private individuals
- Activities primarily of a fundraising or charitable nature, unless the funds directly benefit City-owned programs, activities or facilities
- Events or activities that are not open to the public
- Organizations headquartered outside of the Colorado Springs City limits (unless the demonstrated benefits are primarily to the residents of Colorado Springs)
- Projects or organizations which have failed to fulfill their obligations during previous events or activities for which permit fees were waived or reduced

PROVISIONS

A fee reduction is granted by the Department Director or designee at the time of the request. The granting of reductions is dependent upon budget and operating impacts. To the extent a reduction can be granted without negatively impacting the Department's budget or operations, this policy will guide the Director's discretion. The following apply to fee reduction to the extent and manner specified:

- There is a limit of one (1) fee reduction for an event or activity per year
- Fee reduction is available for a variety of large events including sporting, tourism, cultural, general and major community events and activities
- Fee reductions are for PRCS facility rental fees only. Direct costs including, but not limited to vehicle costs, traffic control, staff time, electricity, water or other City fees are not eligible for a fee reduction under this policy.

Fee Reduction. The Department Director or designee has the discretion to reduce facility permit fees for events that are compatible with priorities. Consideration will be given to events that:

- Are sponsored by non-profit entities that have documented Federal 501(c)3 status, or a similar non-profit status under Colorado state law. (**Note:** Non-profit status does not guarantee that a fee reduction will be granted.)
- Directly benefit City-owned programs, activities or facilities
- Attract visitors to the City and encourage tourist activity
- Expect more than 1,000 participants/attendees
- Any event pertaining to City business, general or municipal elections, memorial services sponsored by veteran or public safety organizations, events or activities which are governed by a separate agreement with the PRCS Department, or an event benefiting a City department, agency or facility where any anticipated proceeds from the event are not expected to exceed the costs of the event.

Acknowledgement. All recipients of a fee waiver or reduction shall acknowledge the Parks, Recreation & Cultural Services Department in all publicity relating to the event or activity. Acknowledgement includes Department logos on all advertising and promotional material and in other promotional contexts. A link to the City's website, ColoradoSprings.gov should be included on the event's website.
