1. Playing season is May through September with Business Meetings the first Tuesday of each month. Members must be able to attend three (3) meetings and play a minimum of eight (8) times during the season. We also have a pre-season meeting in April and a Christmas party in December.
2. Each member is required to have or obtain a USGA handicap index. Ten (10) nine-hole golf scorecards from a rated course will be required and must be turned in to the Handicap Chairperson prior to June 1 of this year in order to compute a handicap. The scorecards must be dated, signed, and attested. (If you join after May 1, you have 5 weeks to complete the 10 rounds which will include rounds from the league.)
3. If you already have a USGA handicap index from another club, only the GHIN number is necessary upon application. You have the same GHIN number regardless of the number of Golf Clubs to which you belong.
